

ESGE Days 2018 Abstract / Video submission categories

Clinical Endoscopic Practice

Outcomes
Pre and post procedure preparation
Quality measures and quality improvement
Training and education
Complications
Managing leaks and fistulae
Sedation
Endoscope reprocessing

Esophagus

Barrett's esophagus: screening, surveillance
Barrett's esophagus: therapy
Esophageal neoplasia: SCC, ADK, other
Achalasia/POEM/submucosa tumour resection
Gastroesophageal reflux/reflux esophagitis
Non-GERD esophagitis (eosinophilic,)
Variceal bleeding
Outcomes studies (esophagus)
Esophagus: other

Stomach and small intestine

Gastritis (all types), intestinal metaplasia
Gastric neoplasia
Nonvariceal UGI bleeding
Varices/portal hypertension in stomach/small intestine
Capsule endoscopy
Small bowel enteroscopy
Mucosal disorders of the small intestine (ulcers, sprue, etc.)
Endoscopic therapy of the small intestine
Obesity and diabetes management
Percutaneous endoscopic gastrostomy (PEG) and jejunostomy (PEJ)
Gastric and duodenal dilation or stenting
Other imaging techniques of the stomach and small intestine
Outcome studies (stomach and small intestine)
Stomach and small intestine: other

Colon and rectum

Colorectal polyps: diagnosis
Colorectal polyps: treatment
Colorectal cancer
Inflammatory bowel disease
Lower GI bleeding
Miscellaneous colitis
Haemorrhoids/anal disorders
Outcomes studies (colon and rectum)
Colon and rectum: other

ERCP

ERCP papilla cannulation
ERCP biliary stones
ERCP biliary stenosis: diagnosis
ERCP malignant biliary stenosis: treatment
ERCP benign biliary stenosis: treatment
ERCP pancreatic neoplasms
ERCP pancreatic cysts: diagnosis and treatment
ERCP acute pancreatitis
ERCP chronic pancreatitis
ERCP pancreas divisum and other congenital
ERCP complications and outcomes
ERCP other

Endoscopic ultrasound

EUS diagnostic: GI tract
EUS diagnostic: pancreatobiliary
EUS diagnostic: others
EUS-FNA
EUS interventional: pancreas
EUS interventional: hepatobiliary
EUS interventional: other (abscesses, tumour, vascular...)
EUS new technology

Pediatric endoscopy

Pediatric

Endoscopic technology

Natural orifice – NOTES
New image technology
New therapeutic technology
